

LOWER MERION NEIGHBORHOOD COALITION

Report and Update

This short flyer will update you on the continuing campaign to stop Kohelet's unwarranted and intrusive expansion into the quiet residential environs of Merion in which we all live.

On January 28, 2016 a meeting was held pertaining to the traffic studies presented both by Kohelet's traffic engineers, Traffic Planning and Design and our traffic engineering firm of Horner and Canter Associates.

Due to inconsistencies in their report, on January 28th Kohelet's staff was asked to present a third revised study, the one which will be presented tonight. We hope at this time to have our engineers, Horner and Canter Associates, present their findings.

PLEASE MAKE EVERY EFFORT TO ATTEND AND SHOW YOUR SUPPORT FOR OUR EFFORTS. The campaign to stop Kohelet's expansion into our residential neighborhood benefits ALL OF US!!

WHEN: Monday February 8, 2016 at 6:30 pm

WHERE: Township Administration Building
2nd Floor Boardroom
75 East Lancaster Avenue, Ardmore

PLEASE HELP US TO MAKE THE ZONING BOARD UNDERSTAND THE DANGEROUS AND ADVERSE IMPACT ON ALL OF US IF THE KOHELET EXPANSION IS ALLOWED TO PROCEED.
